Dear Jack,

Thanks very much for your nice note. I did enjoy the exchange with your students, both in the classroom and in the auditorium.

I thought I would let you know that I am planning another swing by Monterey to see my son in the course of some speaking engagements in California next August. It looks like we'll be in Monterey 9 to 11 August. I don't know if you are in session at that time but, if so, I'd be happy to try to meet with some of your C³ and Intelligence faculty groups. I'll keep in touch.

All the best.

Yours,
